

**Coventry
Constructivist
Centre**

Personal Construct Psychology (PCP) Quarterly Study Sessions 2025

Low cost CPD in Personal Construct Psychology. Sessions are delivered in a seminar format, with a presentation, some paired or small group discussions and exercises, and occasionally some preliminary work.

Dates and times: All sessions run from 2-4pm UK time
Please log on at 1.50pm in case of a Zoom update etc and so we can start at 2pm.

Friday 14th March Life Transitions: helping to gain some perspective

Friday 13th June A Beginner's Guide to Working with Anger

Friday 12th September Relationship Change: helping to reflect on the process of change and gain some understanding

Friday 5th December Growth, and its wider impact

Venue: Zoom

Cost: £6

Included: Digital copies of presentations

Find out more: Details of the Coventry Constructivist Centre and our courses can be found at www.covpcp.com.

To book a place, email Sally Robbins: Sally.covpcp@gmail.com

When your place is confirmed, you will need to pay the fee to secure your booking, and to provide details of your name, professional role, and a personal email address. Some organisations might block emails with attachments or hyperlinks so a personal email is often more reliable. Places are allocated on a first come, first served basis. In the event that there are insufficient numbers to proceed with the session, all

monies will be refunded. Please note that the fee cannot be refunded for failure to attend once a place is reserved.

NOTE: The sessions are designed for people who have either followed a Foundation Course or had PCP teaching as part of their studies because a working knowledge of the theory will be assumed.
